Summer Is Coming!

Our Needs

Our biggest need right now is for leaders. The camps are already full for the leaders we have, so we need more leaders so we can avoid turning boys away. Perhaps you can consider giving up a week of your time for a camp ministry.

Come and Help

Not sure you want to work with youth? Would you rather work with your hands? Then come join us on our work days or as a camp maintenance worker. There are definite opportunities to be involved.

Our spring work day is on June 3 and there is much to do including cleaning, preparing firewood, and getting started on the new staff building (details on the next page).

Father/Son Team Day

Our Father/Son Team Day was held on Saturday, May 6th.

With about 120 people at camp, it was really bustling. We had some extra leaders come at the last moment which was a great help.

For myself personally, this was one of my favourite FSTD events. The extra helpers meant I didn't have to run many events myself, I was able to oversee and mingle and chat with the boys and dads. I loved it!

Memory of 2022 - The Mud Hole

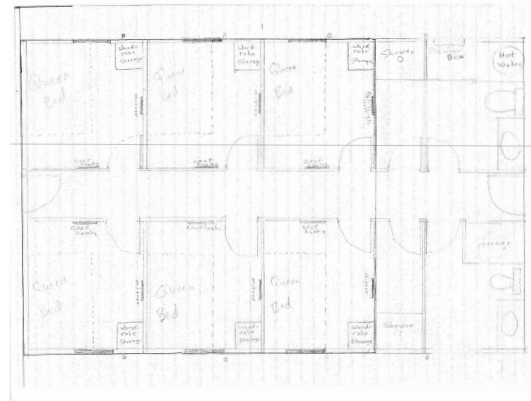

Ok, it looks bad. We get it. But don't worry - we cleaned them up before we sent them home.

New This Year

Staff Accommodations

This has always been one of our pressing needs and a new staff building has been in the plans for some time. This year we will start the work.

It will take us two years to complete the building which will provide 6 small apartment rooms plus a washroom and shower. The expected cost is about \$40,000 over those two years. We are looking to raise another \$10,000 to reach this goal, plus

Proposed Staff Quarters

we want to re-do the floor of the dining room this year which will cost another \$10,000. So we are hoping to fundraise about \$20,000 over this year and the next to cover our building plans. If you wish to help with this, instructions are found on: <https://campteepeepole.org/blog/files/category-donate.html>.

A Discount for Staff with Kids

If you are coming to camp this year to help with a full week (or more), then you are eligible for your boys to get a \$50/boy discount for any of our full week camps. To obtain this discount, simply type "STAFF2023" as a coupon on the registration system. If you have already registered your son, please send me (Steve) a note at info@campteepeepole.org and we will issue you an appropriate refund.
